**MSRP: \$900 | ABV 43%**

This classic Glenmorangie offers spice that tingles on the palate with notes of soft red fruits. Pineapple chunks flow into pears and mandarin jelly throughout the blend. There's ginger and sweet pepper that swirls with almond marzipan and vanilla toffee apples at the finish. Classic indeed.

**HIGH GOAL GIN  
LUXURY GIN**

**MSRP: \$50.00 | ABV 40%**

The company messaging is clear... "High Goal Gin is born from the Sport of Kings and inspired by the culinary epicenter of Charleston, South Carolina." This spirit is a modern take on a classic spirit. There are tasty hints of local citrus and mint in its unique blend of regionally-focused botanicals.

**SELVAREY COCONUT RUM**

**MSRP: \$32 | ABV: 35%**

SelvaRey Coconut Rum is a two-year-old aged rum featuring hints of fresh coconut water, key lime pie, pineapple and tres leches. It's a smooth spirit with a complex blend. It serves well with rum and a splash of soda, fresh juice or mixed in a Piña Colada.

**CLASE AZUL TEQUILA  
PLATA**

**MSRP: \$100 | ABV 40%**

This tequila is rich with vanilla, lemon, fresh mint and a nuanced amount of green guava. It's bright and crisp. This artisanal Clase Azul results in savory notes that combine softness with a touch of sweetness.

**GERMAIN-ROBIN CALIFORNIA BRANDY**

**MSRP: \$75 | ABV 40%**

Germain-Robin is hand-crafted via classic cognac stills, and uses complex and aromatic California grapes—including Pinot Noir and Sémillon. The nose is oak, spice and fruit. The tastes of apple and pear are lightly accented with honeysuckle and cherry blossom. The rich full mouthfeel lingers in this balanced blend.

**SIA SCOTCH WHISKY**

**MSRP: \$39 | ABV 43%**

SIA is distilled in Scotland. It's matured, blended, and bottled from an expertly balanced blend of Speyside, Highlands, Lowlands and Islay whiskies. It's taste profile features vanilla, caramel, citrus, honey and a hint of smoke.
