Island Dreaming **The Maldives**

Nestled halfway between Indonesia and Africa, and made up of 26 atolls spanning over 1,000 different islands, The Maldives offers the ultimate luxury island experience. Whether you are in a search of overwater bungalows, white sand beaches or crystal-clear lagoons with world-class snorkelling and diving, here are the top addresses to know when planning your Maldivian getaway.

ARRIVE

The Nautilus Maldives is located on the Baa Atoll, an area protected by UNESCO as a Biosphere Reserve. The journey to the island by seaplane shows off the beautiful aerial view of the islands, and it only takes about 30 minutes. The Nautilus experience begins as soon as you touch down at the airport. You'll be greeted as you disembark and driven by limousine to the comfort of a private VIP lounge, where immigration and other processes will be taken care of on your behalf. From the lounge, you'll be ushered onto a seaplane for a seamless transfer to our corner of the Baa Atoll. After arriving by seaplane, you will be whisked away aboard a traditional Bokura and delivered directly to your private house with your private butler standing by to welcome you.

STAY

The ultimate luxury bohemian hideaway, The Nautilus features 26 beach and ocean houses, each a personal suite-style sanctum with its separate living room and private pool, infusing the comforts of home with a bohemian whimsy that invites you into the barefoot life.

Nine elegant Beach Houses line the island's silvery shores, each just a few steps from the sea. Each features an oval bedroom and adjoining living room that opens up to a wide private sundeck, sheltered by manicured gardens, overlooking the beach. Embrace the overwater life in your very own Ocean House, situated in the middle of a turquoise lagoon. Revel in the intimate seclusion of a one-bedroom suite for two with a private pool.

Elegant mansions by the sea offer two-storey residences that are effortlessly chic. Living and dining rooms on the ground floor open onto an expansive deck and a sparkling private pool. Upstairs is a sun-drenched king bedroom with beach and ocean views and a balcony with a spiral staircase that leads to the deck downstairs. The light-filled, en-suite bathroom has a walk-in rain shower and free-standing tub with superb views. Ocean residences with a private pool offer a refined retreat that features a spacious living room with a glass-floor panel and separate bedroom, all custom-furnished and richly decorated to create a precious cocoon. It has an additional dining room with an adjoining powder room and wet bar and doors that open onto an expansive sundeck with a private infinity pool and steps descending into the ocean.

UPGRADE

Sprawling over the lagoon, with extraordinary sunset views, The Nautilus Retreat lets you live the quintessential Maldivian dream. Two bedrooms radiate out from the central living and dining rooms, each with its brilliant view of the sea and en-suite bathroom. A wide, curved sundeck and sleek infinity pool foster family reconnection and long-lasting memories.

For the ultimate experience, the island's signature house offers a three-bedroom mansion. Available for once-in-a-lifetime stays, it's their "castle on the sand", located in a spectacular spot on the beach, with custom-made furnishings created with hand-selected materials. Objets d'art and décor capture the pure new bohemian spirit of the island, while the mansion's sunlit, breeze-cooled spaces promise serenity and privacy, enabling absolute freedom.
