# Bella Cucina takes it easy

We've got a lot on our plates these days so why not find ways to make life easier?

**5** tips  
to get  
the look

- 1) Think ahead and avoid last minute rushes.
- 2) Choose items that are multi-purpose.
- 3) Find easy-to-store options.
- 4) Simple can be sexy.
- 5) Share or trade to shake things up.

### Greatest grinder

Whether you enjoy being your own barista or current events have forced you into it, your morning cup shouldn't have to suffer.

**Attention serious Oenophiles**

The first robotically powered wine management system with an AI "virtual" sommelier, temperature control, security settings, and most importantly—an industrial high-speed robotic arm.

**Practically whimsical**

A perfect fit for a lovely Sunday afternoon tea party.

loveafterlove.com.au

**Inside or out**

Beautifully shaped for salads it's an instant entertaining hit.

sydneygrandbazaar.com.au

**Floral artistry**

Roses, hyacinth and magnolia enjoy a special place in Turkish design.

**Ghetto gastro**

Born in the Bronx with the help of hometown activism—a pressure cooker and air fryer in one sleek machine.

**Fashionista lunches**

These attractive Juliette Darras bags promise to keep food fresh for up to six hours.
